

LAND ROVER BURGHLEY HORSE TRIALS 2017

HORSEBOX PARKING

TO BE RETURNED BY 11TH AUGUST LATEST

For security reasons a 'parking permit' must be displayed at all times, on the windscreen of any horsebox parked at the stables. This is to detail the registration number and an emergency contact number for the 'person responsible' during the Event. Would you please complete these details to enable your permit to be produced in advance of your arrival, when it will be available for collection. Should you need to bring an additional horsebox, please supply details.
